

## The derma e® difference

For over 25 years, derma e® Natural Bodycare has been a trusted source for effective and natural body care solutions that help restore skin and reduce signs of aging. Derma e® formulas combine powerful antioxidants such as Astaxanthin, Pycnogenol®, Ester-C®, Green Tea and Alpha Lipoic Acid for superior protection from free radical damage with nourishing botanical extracts and vitamins that enhance skin's appearance. You'll see the "derma e® difference"!

### What derma e® does...

- ◆ Use ingredients with scientifically proven effectiveness
- ◆ Use a safe, gentle, paraben-free preservative system
- ◆ Formulate pH balanced products that optimize skin health
- ◆ Use non-GMO ingredients
- ◆ Provide full disclosure on all product labels
- ◆ Provide 100% satisfaction guarantee
- ◆ Use environmentally friendly ingredients & 100% recyclable packaging

### What derma e® does NOT...

- ◆ Use pore-clogging ingredients such as petrolatum, mineral oil or lanolin
- ◆ Make unsupported claims about product effectiveness
- ◆ Withhold any information on ingredient lists
- ◆ Use token amounts of ingredients
- ◆ Use animal testing

Besides being paraben-free, most products are gluten-free and vegetarian/vegan. Please ask about the few exceptions!
